Mighty Girl camps are offered at our Montgomery location (7781 Cooper Rd.) and our Oakley location (3096 Madison Rd.) MWF from 12:30-3:30 for smart, confident, and courageous girls age 4-8. We use art, dance, nutrition and yoga to promote self expression and acceptance. We teach your child about nutrition, and help to create a positive body image through art and other activities. We want them to embrace their differences and empower others to do the same.
