

# Our Programs:

## September–May:

Early Bird (7:30–8:30 a.m. M–F): is a non–curricular program that allows AM Preschool students to come to school one hour early to get a little extra playtime before school begins! Children can come as needed; days can vary. You only pay for what you use. The cost for our Early Bird program is \$10/day.

AM Preschool (8:30–11:30 a.m. M–F) & PM Preschool (12:00– 3:00 p.m. M–F): Our preschool programs are offered to students ages 2.5 to 5 years old. Families may register for any combination of mornings and/or afternoons as long as they are registered for more than one program per week.

Lunch Bunch (11:30 a.m.–12:00 p.m. M–F.): Lunch Bunch can be used to extend a day or to “connect” a morning and afternoon program. The fee for lunch bunch is \$5 if your student is extending am or pm preschool. However, there is no fee for “connecting” am and pm preschool with Lunch Bunch. Students should bring a lunch from home with an ice pack.

PreK Enrichment (12:00–1:30 p.m. M&W or T&TH): PreK Enrichment is an academic based program focusing on early math and literacy skills in preparation for Kindergarten. *Students can attend Pre–K for more of an academic edge during PM Preschool, two days per week.* Children who are enrolled in our PreK Enrichment program are “pulled” from PM Preschool for an hour and a half to focus strictly on academics through games and activities. The Cost of adding Pre–K Enrichment to PM Preschool is 9 monthly (Sept–May) installments of \$100.

Stay and Play. ( 3–6 p.m. M–F): is a non–curricular afternoon “drop–in”. You may use this program to extend your child’s preschool class or you may drop in anytime between 3–6 p.m. so that you may have a little time to yourself. The fee for this program is \$10/hr. “STAY AND PLAY” is a drop–in/as needed program. You can use this every day or once a year, whatever YOU need! :)
