education for life

The Love Grows Project

3096 Madison Road Cincinnati, Ohio 45209 513.272.2111

The Love Grows Project is a nonprofit organization that provides free preschool to local students in need. This program aims to build empathic leaders for our community while nurturing their social, emotional, and academic needs as they grow.

There is something special about a Growing Room kid. For the past 22 years, The Growing Room has been “sprinkling” these kind Growing Room children into the Cincinnati community, we believe it actually has changed the makeup of our city to a kinder, compassionate and inclusive place, one student at a time. My goal with The Love Grows Project has always been to share this Growing Room experience with families who are not able to afford it so that our reach into the community can go farther. During the preschool years, a child’s foundation on friendships, kindness, leadership, confidence, and education is formed. This is the experience we want to share. If 2020 has taught us anything, it’s that we, as a community, need to work together for everyone, not just the people in our circle... **@TheXcHlg**

: 9H-BJC@98

The Love Grows Project will rely on word of mouth, volunteers, donations in kind, tuition add-ons, fundraisers, scholarships, pledges and grants. The Love Grows Project is a 501(c)3 Organization and all monetary contributions will be tax deductible.

We can’t do this alone! Please help us make this experience a reality for a child in need! For more information on how to get involved, please email Missy Griffin (missygriffintgr@gmail.com)

Thank you for any and all help with this meaningful project! We are excited to see “LOVE GROW” for these students!

Much Love,

Missy Griffin
